Company Statement

COX Handheld Dispensers for One and Two-Component Materials: PC COX legacy since 1958 inherited by medmix Switzerland AG

medmix Switzerland AG, a leading manufacturer of industrial dispensers, is the exclusive producer of authentic handheld dispensers for one and two-component materials made in England under the COX trademark. The company is the sole owner of this trademark for its authentic COX dispensers made in England based on the tradition, quality and legacy of P.C. Cox and protects it against illegal copiers worldwide.

Background:

- **PC Cox Group Ltd.**, headquartered in Hungerford, United Kingdom, was founded in 1958 and established the P.C. COX legacy of quality and performance from the beginning on. In 2016, it was acquired by the Sulzer Group and subsequently renamed as Sulzer Mixpac UK and integrated into the Sulzer Applicator Systems (APS) division.
- Following the spin-off of the APS division as the medmix group and the renaming of Sulzer Mixpac UK as **medmix UK**, the dispenser business remains an integral part of the groups's portfolio.
- PC Cox was renowned for its high-quality dispensers used in sealing and adhesive applications across various industries. The legacy of the P.C. Cox design, development and production continues to thrive in England, where all COX dispensers are meticulously crafted at medmix UK by our same personnel and teams in a modern new expanded location in Hungerford, England.

Strength in Innovation:

- medmix Switzerland AG, in collaboration with other dispenser brands, offers an extensive product lineup. COX dispensers, known for their reliability and precision, enhance medmix Switzerland's reputation as a technological leader in industrial one and two-component applications worldwide. Many of the younger original P.C. Cox technology and manufacturing employees remain with us today.
- The company's commitment to excellence extends beyond manufacturing. medmix Switzerland is a trusted provider of mixing, dosing, and delivery systems on the global stage.

Combating Counterfeits:

Many COX counterfeits in China falsely state that they are made by us at our predecessor legal entity, P.C. Cox in Newcastle, England, which actually has not existed under that name or in that location for several years. Such COX counterfeits do not benefit from the technology, tradition, heritage, quality and performance of the authentic made-in-England COX dispensers, nor do they benefit from the medmix guarantee of performance and quality. medmix Switzerland takes decisive action against illegal copiers of our COX dispensers, particularly in China. Our successful efforts in protecting our trademarks have been instrumental in maintaining the integrity of our brand. We remain steadfast in our commitment to safeguarding our intellectual property.

声明

COX 手持式单组份/双组份胶枪：瑞士迈德米斯 (medmix) 传承自 1958 年创立的 PC COX

迈德米斯瑞士公司 (medmix Switzerland AG) 是工业胶枪先进的制造商，是英国 COX 品牌原装正品单组份和双组份胶枪的独家生产商。迈德米斯公司是 COX 商标的唯一所有者，传承 P.C. Cox 的传统、质量，原装正品的 COX 胶枪为英国制造，并保护其在全球范围内免受未经授权的仿冒者侵权。

背景：

- PC Cox Group Limited 成立于 1958 年，总部位于英国亨特福德，创立之初就建立了 P.C. COX 的质量和性能传统。2016 年，该公司被瑞士苏尔寿 (Sulzer) 集团收购，随后更名为 Sulzer Mixpac UK，并纳入苏尔寿流体应用系统 (Sulzer Applicator Systems) 部门。
- 随着 APS 部门从苏尔寿拆分成为 medmix 集团，Sulzer Mixpac UK 更名为 medmix UK，胶枪业务仍是集团投资组合的重要组成部分。
- PC Cox 以其在各个行业密封和粘接应用的高质量胶枪而闻名。P.C. Cox 设计、开发和生产在英国传承至今，所有 COX 胶枪均由同一团队在我们位于英国亨特福德的现代化、新扩建的生产基地精心制造。

创新实力：

- 迈德米斯瑞士公司与其他胶枪品牌合作，提供广泛的产品线。COX 胶枪以其可靠性和精准性而闻名，增强了迈德米斯瑞士在全球工业单组份和双组份应用技术领域的卓越声誉。许多最初的 P.C. Cox 技术和制造人员今天仍在与我们合作。
- 公司的卓越承诺不仅限于制造。迈德米斯是全球混合、计量和施胶系统值得信赖的供应商。

打击假冒伪劣产品：

在中国，许多 COX 假冒产品谎称是由我们在英格兰纽卡斯尔的前身法人实体 P.C. Cox 制造的，而实际上该公司已多年并未以该名称或在该地点存在。此类 COX 假冒产品缺乏英国制造的正品 COX 胶枪的技术、传统、传承、质量和性能，并且无法享受迈德米斯对性能和质量的保证。迈德米斯瑞士针对中国的 COX 胶枪的非法仿冒者采取果断行动。我们保护商标的努力对于维护我们品牌的完整性至关重要。我们坚定致力于保护我们的知识产权。
